Institutional Partnership Introduction

Nestway Immigration is a legally registered education and immigration consultancy firm in Australia and Pakistan. We are actively seeking collaboration with leading Malaysian universities to serve as an authorized education agent.

Our Lahore office acts as a regional recruitment hub, assisting students from Pakistan in gaining admission to Malaysian universities and facilitating future academic transfers to Australia, the UK, Canada, and other destinations.

With a dual presence in Pakistan and Australia, we ensure transparent recruitment, accurate documentation, and compliance with institutional and immigration requirements. Our professional counselling team operates under the supervision of a registered Australian Migration Agent and a Qualified Education Agent Counsellor (QEAC).

Why Partner with Nestway Immigration

- Experienced team trained under Australian QEAC standards.
- Transparent and ethical recruitment process.
- Active marketing and outreach in Pakistan through digital and on-ground campaigns.
- Close supervision by a Registered Migration Agent (MARN 2519006) in Australia.
- End-to-end student support from course selection to post-arrival guidance.
- Partnerships with authorized education agents in Australia for articulation pathways.

CEO's Message

Shahdain Asa — CEO (Australia)

As a Qualified Education Agent Counsellor (QEAC No. 14527) certified by PIER Australia, I've always believed that true success comes from empowering others.

At NestWay Immigration, we uphold transparency and professionalism in everything we do. We take pride in guiding students and migrants toward a future full of possibilities, ensuring every decision they make is informed, confident, and rewarding.

Behroz Assa — CEO (Pakistan)

As the Founder and CEO of NestWay Immigration Pakistan, I take great pride in leading a company that puts trust, integrity, and results at the heart of every client interaction.

Our goal is to simplify the complex process of immigration and education consulting, making it accessible and stress-free. Together, we build futures — one visa at a time.

How We Work

We follow a personalized, step-by-step approach to ensure accuracy, efficiency, and peace of mind for every client:

- **Initial Consultation** — We start by understanding your goals, background, and eligibility.
- **Profile Assessment** — Our experts evaluate your profile for the best visa or university options.
- **Document Preparation** — We assist with all documents, SOPs, attestations, and embassy requirements.
- **Application Submission** — We file your visa or admission application with accuracy and confidence.
- **Ongoing Support** — From pre-departure to post-arrival, our team is with you every step of the way.

Our approach is transparent, results-oriented, and tailored to your success.

Our Services **Company**

At a corporate level, NestWay Immigration collaborates with institutions, government bodies, and organizations to provide large-scale solutions for international education and migration.

- **Student Recruitment:** Admissions for Australia, UK, USA, Canada, Malaysia, and New Zealand.
- **Visa Services:** Assistance with student, skilled migration, and family sponsorship visas.
- **Corporate Immigration:** Guidance for employers and professionals.
- **Legal & Compliance Support:** Documentation, SOP writing, and embassy coordination.

Our Service **Individual**

For individuals, we provide end-to-end visa and migration support, ensuring every client gets personalized care and expert guidance.

- **Student Visa Services:** Admissions and visa processing for Australia, the UK, Canada, and the USA.
- **Skilled Migration & PR Visas:** Guidance for professionals seeking permanent residency or work opportunities.
- **Business & Investor Visas:** Strategic advice for entrepreneurs expanding abroad.
- **Family Sponsorships:** Reuniting families through transparent sponsorship applications.
- **Document & Legal Assistance:** SOP writing, embassy interview prep, and attestation services.

Whether you're applying for your first student visa or planning to migrate permanently, our expert team makes the process simple, smooth, and stress-free.

How It Works

We've built our process around clarity, collaboration, and care:

- **Consult** → Talk to our certified counsellors.
- **Assess** → Get a realistic evaluation of your chances.
- **Prepare** → Let our team help you organize and verify your documents.
- **Apply** → Submit your application with confidence.
- **Move** → Begin your journey abroad — we'll still be here for post-landing guidance.

We believe in results you can trust — not promises that fade away.

The Company Values

At NestWay Immigration, our values shape every interaction and decision:

- **Integrity:** We operate with honesty, transparency, and ethical standards.
- **Professionalism:** Every case is handled by qualified experts with attention to detail.
- **Accountability:** We take responsibility for guiding clients with accuracy and care.
- **Empathy:** We understand your dreams, your worries, and your journey — because we've been there too.
- **Excellence:** From documentation to delivery, we aim for nothing less than excellence.

Our goal? To be your most trusted partner in the global immigration landscape.

Our Offices

Ready to start your journey? Whether you're a student looking to study abroad, a professional aiming to relocate, or a university seeking partnership — we'd love to connect.
